

Situational Leadership® Building Leaders

ONE-DAY WORKSHOP ~ MARCH 10, 2014 ~ HONG KONG

A FOUNDATION OF LEADERSHIP

Situational Leadership® Building Leaders introduces participants to the Situational Leadership® Model and equips leaders with the necessary tools to skillfully navigate the demands of an increasingly diverse workforce and evolving marketplace. Infinitely adaptable to any circumstance, Situational Leadership® prepares leaders to meet the moment-to-moment challenges pervasive in today's work environments.

Through a combination of instructor-led training, multimedia, role-playing and skill-building activities, **Building Leaders** provides ample opportunity to practice applying the core tenets of the model. Participants learn to effectively manage any situation by immediately prioritizing broad actions into specific tasks and utilizing the tools that indicate each individual's ability to perform.

In addition, the LEAD Self instrument and profile provide participants with insights into their primary leadership behaviors and the range of styles they tend to act upon.

Prepares leaders to effectively deal with any situation, opportunity or challenge.

Teaches the skills needed to determine Performance Readiness® among team members.

Provides leaders with an action-oriented framework to immediately increase the quantity and quality of conversations around performance.

Enhances the work environment with improved performance and teamwork.

Benefits of Building Leaders

ABOUT THE CENTER

The Center for Leadership Studies is the only company in the global leadership training industry that combines cutting-edge training solutions with the unassailable science of the original Situational Leadership® leader-building model.

Our unique position in the leadership training industry is the result of the universal adaptability of the Situational Leadership® discipline to individual situations within any organization. The integrity of the leadership model is never modified. Yet, because every company, every team, every leader is in its own way highly individual, the adaptability of the model's implementation is always the appropriate delivery.

Through more than 200 professionals in 30+ countries, our programs, based on the unique Situational Leadership® Model have developed unique leadership skills in over 14 million individuals worldwide. We are, today, building leaders by increasing the leadership skills to accommodate the increasingly demanding world of tomorrow.

OUR VISION

We will build our future by helping our clients build and develop leaders who will consistently rank as the top performers in their industries.

WE BUILD LEADERS!™

Through our proven leadership building solution, a leader is never taken by surprise and will always have in hand the way to the team's success. We build leaders that accommodate and thrive through all adversity. No matter where you are, in whatever country or culture, our process is completely adaptable to your organization.

WORKSHOP LEADER

Tan Joo Seet offers training in leadership and interpersonal effectiveness – helping clients to leverage human performance and enhance overall

organizational performance. He brings with him over 30 years of business, management and consulting experience; and has worked in 26 countries in Asia-Pacific, Europe and North America.

During his 20 over years in training and consulting he has worked with more than 400 clients. He is a frequent speaker at professional and business conferences, and writes regularly. Over 30 of his articles have been published. He was featured in the television program *Money Matters*, and co-hosted the radio series *Working Matters*.

After completing his tertiary education in engineering, Joo Seet did the Master of Management, the Graduate Diploma in Personnel Management, and the Advanced Diploma in International Marketing. He is a Certified Business Planning Consultant and a Chartered Marketer.

Joo Seet is the Managing Director of Center for Leadership Studies (Asia) with offices in Singapore, Malaysia and Hong Kong. He is also the founder and Director of Human Edge Organization, and Performance Learning. He has also served as Managing Director (Asia) of Zenger-Miller from 1985 to 1996. Since 1987, he has been working with Dr Paul Hersey and the Center for Leadership Studies.

In addition to his training and consulting experience, he has held regional management positions in human resources, sales and marketing, business development and general management in telecommunication, aviation, manufacturing, medical systems and IT. He has worked with the government, government-linked companies and multinational organizations.

He participated in the United Nations Development Program/International Telecommunication Union projects on the setting up of the telecommunication training center, and instructional technology and course development. He also developed and coordinated regional training for the United Nations Development Program/International Civil Aviation Organization.
