*Social Intelligence is the science of productive relationships.
It is the ability to understand and manage behavior for
personal and organizational success.*

**Universal SOCIAL
STYLE® Concepts
Guide and Self-
Perception
Questionnaires**
Item # IPEV5000 | S\$88
The Universal SOCIAL STYLE®
Concepts Guide and Self-

Perception Questionnaires offer self-profiling for a convenient and inexpensive introduction to interpersonal effectiveness concepts.

They offer a quick and easy introduction to interpersonal effectiveness at work. They help build self-awareness of behavior and an understanding of the importance of improving workplace relationships to increase productivity.

The SOCIAL STYLE® Questionnaire assesses how individuals see themselves as communicating and interacting with others at work. The Versatility Questionnaire is independent of SOCIAL STYLE® and assesses how individuals relate to others in ways that are important for working effectively with others, regardless of their SOCIAL STYLE®.
