

Situational Leadership® : Building Leaders

July 24 & 25, 2017 ~ Singapore

Two-Day Course

A FOUNDATION OF LEADERSHIP

Situational Leadership®: Building Leaders introduces participants to the Situational Leadership® Model and equips leaders with the necessary tools to skillfully navigate the demands of an increasingly diverse workforce and evolving marketplace. Infinitely adaptable to any circumstance, Situational Leadership® prepares leaders to meet the moment-to-moment challenges pervasive in today's work environments.

Through a combination of instructor-led training, multimedia, role-playing and skill-building activities, this course provides ample opportunity to practice applying the core tenets of the model. Participants learn to effectively manage any situation by immediately prioritizing broad actions into specific tasks and utilizing the tools that indicate each individual's ability to perform.

In addition, the LEAD Self instrument and profile provide participants with insights into their primary leadership behaviors and the range of styles they tend to act upon.
